Passion and **Quality**

"Raccontare la storia della Rubinetteria Paffoni è un po' come raccontare la storia della mia famiglia.
Con lo stesso spirito imprenditoriale con cui mio padre Roberto ha iniziato nel 1953, così ancora oggi io e la mia famiglia lavoriamo con lo stesso impegno e dedizione.
Negli anni siamo cresciuti, ma la qualità rimane sempre un valore irrinunciabile, il nocciolo della nostra azienda: qualità di ciò che produciamo, qualità di come lo facciamo e qualità delle persone con cui collaboriamo. "

"Telling the story of Rubinetteria Paffoni is like telling the story of my family. Keeping the same managerial spirit of my father Roberto since1953, even today, my family and I are working with the same commitment and dedication. Over the years we have grown, but the quality always remains an indispensable value, the core of our company: quality of what we produce, quality of how we do it and the quality of the people we work with. "

STORIA DEL **MARCHIO**

BRAND HISTORY

La nostra storia nasce nel 1953 a Pogno, dove ancora oggi abbiamo la nostra sede e i nostri stabilimenti produttivi.
E' una storia fatta di valori e di concretezza, di passione per il lavoro e per il nostro territorio. Il nostro è un successo tutto italiano, i nostri rubinetti vengono progettati e realizzati coniugando la creatività e la cura artigianale tipici del made in Italy con le potenzialità di un'Azienda industriale.
E il filo conduttore è da sempre la funzionalità del prodotto: attenzione a forme pulite ed essenziali, utilizzo di materie prime rispettose delle normative internazionali e applicazione delle migliori innovazioni tecnologiche per ottenere un prodotto in grado di integrarsi perfettamente con la sua materia prima, l'acqua.

Our history started in 1953 in Pogno, where we still have our headquarters and production plants.
It is a story based on values and concreteness, passion for our work and for our territory. Our success is all Italian, our taps are designed and made by combining the creativity and the handmade care typical of Made in Italy with the potential of an industrial company.
The common thread has always been the functionality of the product: attention to simple and essential shapes, the use of raw materials which are respectful of the international regulations, the application of the best technological innovations to obtain a product able to integrate perfectly with its main purpose: the water.

RISPARMIO ENERGETICO E IDRICO

ENERGY & WATER SAVING

I prodotti dotati di queste tecnologie garantiscono un buon risparmio energetico ed idrico grazie ai seguenti accorgimenti:

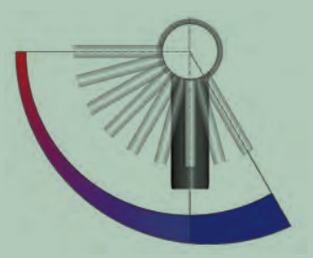
Products with these tecnologies guarantees a good energy and water savings through the following measures:

RISPARMIO **ENERGETICO**

ENERGY SAVING

Risparmia energia, perchè apre al centro e dà acqua fredda, mentre l'acqua calda esce solo con il movimento della leva verso sinistra.

It saves energy delivering cold water from middle position already; hot water comes out with handle left movement only.



RISPARMIO **IDRICO**

WATER SAVING

Risparmia acqua, perchè dobbiamo vincere un'altra resistenza in apertura per avere più portata d'acqua (funge da deterrente contro l'inconsapevole apertura dell'acqua).

It saves water, because user must override "resistance bump" to obtain high ow - acts as deterrent to unconsciously turning handle on to full ow position regardless of water requirement.

cold start

ENERGY SAVING
Risparmia energia, perchè apre al centro e dà acqua fredda, mentre l'acqua calda esce solo con il movimento della leva verso sinistra.
It saves energy delivering cold water from middle position already; hot water comes out with handle left movement only.

WATER SAVING
Risparmia acqua, perchè dobbiamo vincere un'altra resistenza in apertura per avere piú portata d'acqua (funge da deterrente contro l'inconsapevole apertura completa dell'acqua).
It saves water, because user must override "resistance bump" to obtain high flow - acts as deterrent to unconsciously turning handle on to full flow position regardless of water requirement.

cold start

ENERGY SAVING
Risparmia energia, perchè apre al centro e dà acqua fredda, mentre l'acqua calda esce solo con il movimento della leva verso sinistra.

It saves energy delivering cold water from middle position already; hot water comes out with handle left movement only.

WATER SAVING
Risparmia acqua, perchè dobbiamo vincere un'altra resistenza in apertura per avere piú portata d'acqua (funge da deterrente contro l'inconsapevole apertura completa dell'acqua).

It saves water, because user must override "resistance bump" to obtain high flow - acts as deterrent to unconsciously turning handle on to full flow position regardless of water requirement.

Condizioni generali di vendita

Salvo quanto diversamente pattuito per iscritto tra le Parti, le presenti Condizioni Generali di Vendita (di seguito le "Condizioni Generali") unitamente ad eventuali condizioni speciali che siano previste nella conferma d'ordine disciplinano tutte le vendite di prodotti tra Rubinetteria Paffoni S.p.A., con sede in Pogno, via Soriso n. 2, (di seguito la "**Venditrice**") e qualsiasi acquirente (di seguito il "**Cliente**"); salvo specifici accordi di deroga in forma scritta, si intendono pienamente accettate dal Cliente e prevalgono su ogni altra eventuale clausola difforme inserita su modelli o su altri documenti utilizzati dalla Venditrice e/o dai Clienti (di seguito congiuntamente le "**Parti**").

1.PRODOTTI

1.1 Oggetto delle vendite regolate dalle presenti Condizioni Generali sono i prodotti indicati nei listini della Venditrice (di seguito i "Prodotti"), con le specifiche ivi indicate.
1.2 L'invio dei cataloghi o dei listini non costituisce offerta formale da parte della Venditrice, che rimane libera di modificare gli stessi in ogni momento e senza obbligo di preavviso.

2.ORDINI E CONFERMA

2.1 Gli Ordini si intendono accettati dalla Venditrice al ricevimento da parte del Cliente della conferma d'ordine rilasciata dalla Venditrice (di seguito la "Conferma d'Ordine").
2.2 Qualora la Conferma d'Ordine contenga modifiche rispetto all'Ordine, le modifiche si considerano tacitamente accettate trascorse 24 ore dall'invio della stessa senza che il Cliente abbia manifestato il proprio dissenso per iscritto.
2.3 Ferma restando l'esecuzione degli ordini a seguito di rispettiva Conferma d'Ordine, la Venditrice può sospendere e/o cessare in qualunque momento e senza preavviso la produzione dei Prodotti qualora esigenze di mercato e/o di produzione lo richiedano, senza che per ciò il Cliente possa avanzare pretesa o reclamo alcuno.

3. PREZZI

3.1 Salvo quanto diversamente pattuito per iscritto tra le Parti, i prezzi dei Prodotti (di seguito i "Prezzi") sono quelli risultanti dal listino prezzi della Venditrice in vigore al momento della Conferma d'Ordine, IVA esclusa, e si intendono per merce resa franco stabilimento della Venditrice in Pogno, via Soriso n. 2.
3.2 I prezzi indicati nel listino possono essere soggetti a variazione.
3.3 I prezzi non comprendono le spese di trasporto, spedizione, imballo dei Prodotti ed ogni altra spesa non specificamente inclusa nella Conferma d'Ordine.

4. CONDIZIONI DI PAGAMENTO

4.1 Il pagamento è tassativamente dovuto entro i termini specificati in fattura; un'eventuale variazione dei termini dovrà essere preventivamente ed espressamente pattuita per iscritto dalla Venditrice.
4.2 Qualsiasi pagamento deve essere eseguito ed è dovuto presso la sede della Venditrice, fatti salvi eventuali diversi accordi speciali scritti. Il rilascio di effetti cambiari o assegni è consentito solo se vi è espressa autorizzazione della Venditrice.

5. MANCATO O RITARDATO PAGAMENTO

5.1 In caso di mancato e/o ritardato pagamento nei termini, saranno addebitati al Cliente gli interessi convenzionali dalla data di scadenza del termine e sino all'effettivo saldo; ciò automaticamente e senza necessità di costituzione in mora.
5.2 La Venditrice, nel caso in cui la Cliente ritardi totalmente o parzialmente un pagamento, può sospendere qualsiasi consegna in corso e gli eventuali ordini già acquisiti, risolvere il relativo contratto e trattenere a titolo di risarcimento, fino a concorrenza del danno patito, qualsiasi somma incassata anticipatamente, senza pregiudizio alcuno al diritto di pretendere ulteriori danni.
5.3 Il mancato pagamento totale o parziale di anche una sola fattura da parte del Cliente, nonché la diminuzione delle eventuali garanzie prestate, determina automaticamente la decadenza dal beneficio del termine con riferimento a qualsiasi somma dovuta alla Venditrice dal Cliente medesimo.

6. CONSEGNA

6.1 I tempi di consegna sono indicativi e non impegnativi per la Venditrice. I termini di consegna concordati tra le parti sono in ogni caso prorogati a data da stabilirsi da parte della Venditrice, senza possibilità per il Cliente di reclamare danni, se il ritardo è dovuto ad impedimenti della Venditrice (a mero titolo esemplificativo: carenze di materie prime, avarie dei macchinari, scioperi, serrate , stato di calamità, eventi climatici, epidemia, interruzione e/o ritardi nelle forniture della materia prima e nei trasporti…..ecc…) e comunque se il ritardo è determinato da cause di forza maggiore.
6.2 Il termine di consegna pattuito verrà automaticamente sospeso in caso di mancato o ritardato pagamento da parte del Cliente come previsto sub art. 5 ovvero prorogato nel caso in cui il Cliente abbia richiesto modifiche della fornitura accettate dalla Venditrice successivamente alla Conferma d'Ordine.

7. IMBALLAGGI

Gli imballi vengono fatturati al costo e la Venditrice non ne accetta la restituzione. La Venditrice non è responsabile di eventuali vizi e difetti degli imballaggi.

8. TRASPORTI

8.1 Le spese di trasporto, salvo patto scritto contrario, sono a carico del Cliente. La Venditrice si riserva la facoltà di addebitare al Cliente eventuali oneri aggiuntivi al puro costo di trasporto eventualmente corrisposti al Vettore.
8.2 La spedizione, anche se effettuata in porto franco, viaggia a rischio e pericolo del Cliente. La Venditrice non ha alcuna responsabilità per ritardi, guasti, avarie, rotture o ammanchi e comunque fatti che si verificassero durante il trasporto. Ciò anche nel caso in cui il trasportatore/Vettore dovesse essere scelto dalla Venditrice.
8.3 In nessun caso eventuali danni derivanti dal trasporto danno diritto al Cliente di ritardare il pagamento della fattura relativa alla merce, ovvero di trattenere parzialmente o totalmente l'importo della stessa.
8.4 Anche se scelto dalla Venditrice, spetta al cliente presentare eventuali reclami al trasportatore, possibilmente con dichiarazione di immediata contestazione.

- usura del Prodotto

9.3 Fatto salvo quanto previsto al successivo punto 10 (RECLAMI), in caso di prodotto difettoso coperto da garanzia, la Rubinetteria Paffoni S.p.A. a proprio insindacabile giudizio ha facoltà di provvedere alla sostituzione o alla riparazione del prodotto stesso o delle parti risultate non conformi, o di rimborsarne il prezzo qualora la sostituzione non fosse possibile. In ogni caso, senza alcun ulteriore indennizzo o risarcimento per danni diretti e/o indiretti, incidentali o consequenziali, che dovessero derivare dalla difettosità e/o non conformità del Prodotto; tali risarcimenti devono pertanto, nei limiti consentiti dalla legge, intendersi espressamente rinunciati dal Cliente.
9.4 Per l'attivazione della garanzia è necessario contattare direttamente il fornitore (idraulico, rivenditore o grossista), presentando il tagliando di garanzia contenuto nella confezione di vendita debitamente compilato e timbrato dal rivenditore con la data di acquisto, o comunque presentando altro documento comprovante la data di acquisto; in ogni caso, per l'attivazione della garanzia il Cliente deve dimostrare la riferibilità del Prodotto alla produzione della Venditrice.
9.5 Ogni autorizzazione al reso verrà identificata con un numero di Riferimento (RMA) comunicato dal nostro Ufficio Clienti Italia. Il numero di Riferimento (RMA) dovrà essere scritto in modo chiaro e leggibile sulla scatola e sulla bolla di reso. Non saranno presi in considerazione resi senza numero di Riferimento (RMA).
9.6 Il materiale da rendere, previa espressa autorizzazione della Venditrice, dovrà essere inviato in porto franco presso la sua sede di Pogno, con imballo gratis e chiara indicazione del numero di Autorizzazione (RMA). La Venditrice non accetta resi incompleti o in quantità o tipo merce differente da quanto espressamente autorizzato.
9.7 Le regole suddette valgono anche nel caso di resi per merce ordinata erroneamente, il cui valore verrà riaccreditato decurtando il 15% a copertura delle spese necessarie per la gestione e il ripristino del materiale.
9.8 Non hanno valore e non vengono accettate dalla venditrice eventuali riconoscimenti, dichiarazioni, impegni e/o garanzie assunti da agenti e/o dipendenti della Venditrice, nemmeno se fatti per iscritto, che siano difformi o in contrasto rispetto a quanto previsto nelle presenti condizioni generali di vendita, a meno che non siano sottoscritti dal legale rappresentante della Rubinetteria Paffoni S.p.A.

10. RECLAMI

10.1 Il Cliente, a pena di decadenza dalla garanzia, deve esaminare attentamente ciascun Prodotto al fine di accertare la corrispondenza della fornitura alle quantità e qualità dei Prodotti indicate nella Conferma d'Ordine, verificando altresì l'esistenza di vizi palesi.
10.2 Entro i successivi 8 giorni il Cliente è tenuto a comunicare per iscritto alla Venditrice, a pena di decadenza dalla garanzia, l'esistenza di difetti o le difformità quantitative o qualitative riscontrate nei Prodotti. Decorso tale termine, la fornitura s'intenderà accettata senza riserve dal Cliente, con la conseguente rinuncia dello stesso ad eccepire qualsiasi vizio palese del Prodotto nonché qualsiasi difetto quantitativo o qualitativo della fornitura.

10.5 La Venditrice avrà diritto di esaminare a propria assoluta discrezione i Prodotti di cui viene lamentato il difetto. Anche in questo caso, non hanno valore e non vengono riconosciute dalla Venditrice eventuali riconoscimenti, dichiarazioni, impegni e/o garanzie assunti da agenti e/o dipendenti della Venditrice, nemmeno se fatti per iscritto, a meno che non siano sottoscritti dal legale rappresentante della Rubinetteria Paffoni S.p.A.
10.6 Qualsiasi norma inderogabile riguardante la tutela del consumatore non è modificata da queste Condizioni.

Unless otherwise agreed in writing between the Parties, these General Sale Conditions (hereinafter mentioned as "General Conditions") together with eventual special conditions foreseen in the order confirmation govern all sales of products between Rubinetteria Paffoni SpA - based in Pogno via Soriso n. 2 - (hereinafter the "**Seller**") and any purchaser (hereinafter the "**Customer**"); unless we specifically agree in writing for exemption, they are fully accepted by the Customer and prevail over any other conflicting clause inserted in forms or in other documents used by the Seller and / or by customers (collectively, the "**Parties**").

1.PRODUCTS

1.1 Subject of sales governed by these Terms and Conditions are the products mentioned in the lists of Seller (hereinafter the "Products"), with the specifications set out therein.

1.2 The sending of catalogs or price lists does not constitute a formal offer by the Seller, which remains free to modify the same at any time and without notice.

2. ORDERS AND CONFIRMATION

2.1 Orders are accepted by the Seller once the customer receives the order confirmation issued by the Seller (hereinafter the "Order Confirmation").

2.2 Should the Order Confirmation contains amendments in respect to the Order, the amendments shall be deemed to have been tacitly accepted 24 hours after dispatch of the Order Confirmation unless the customer has expressed its disagreement in writing.

2.3 Without prejudice to the execution of orders after the issue of an Order Confirmation, the Seller may suspend and / or cease at any time and without notice the production of products if market and / or production needs would require, so that the customer could claim or demand any.

3. PRICES

3.1 Unless otherwise agreed in writing between the Parties, the prices of the Products (hereinafter the "Prices") are the ones resulting from the Seller's price list in force at the time of the Order Confirmation, excluding VAT, and are intended for goods delivered on Ex-Works basis to the Seller's Factory in Pogno via Soriso n. 2.

3.2 The prices indicated in the price list may be subject to change.
3.3 Prices do not include transport charges, shipping costs, packaging of the Products and any other expenses not specifically included in the Order Confirmation.

4. TERMS OF PAYMENT

4.1 Payment is strictly due within the terms specified in the invoice; any variation to the terms must be previously and expressly agreed in writing by the Seller.

4.2 Any payment must be made and is due at the premises of the Seller, except in case of special different written agreement. The release of bills of exchange or checks is allowed only in case of an express permission of the Seller.

5. LATE OR NON-PAYMENT

5.1 In the event of late or non-payment within the terms, conventional interest will be charged to the customer from the date of expiry of the term and until the actual balance; this automatically and without the need of formal notice.

5.2 In the event that the customer delays wholly or partially payment, the Seller may suspend any pending delivery and any orders already received, solve the relative contract and hold up as compensation till the amount of suffered damage , any sum collected in advance, without prejudice to the right to claim further damages.

5.3 The total or partial non-payment of even a single invoice by the customer, and the reduction of any eventual granted guarantee, automatically determines the loss of the benefit of the term in reference to any sum due to the Seller by the Customer.

6. DELIVERY

6.1 The delivery times are indicative and not binding for the Seller. The terms of delivery agreed between the parties are in any case postponed to a date to be determined by the Seller, without the possibility for the customer to claim damages, if the delay is due to hindrance of the Seller (including but not limited to: raw material shortages , breakdown of equipment, strikes, lockouts, state of calamity, weather events, epidemic, interruption and / or delay in the supply of raw materials and transportation ..... etc ...) and in any case if the delay is caused by force majeure.

6.2 The agreed delivery time will be automatically suspended for failure or delay in payment by the customer as foreseen in sub art. 5 or extended if the Customer has requested changes to the order accepted by the Seller after the Order Confirmation.

7. PACKAGING

The packages are debited to the cost and the Seller will not accept their return. The Seller is not liable for eventual faults or defects of packaging.

8. TRANSPORT

8.1 The transport costs , unless otherwise stated in writing, shall be borne by the customer. The Seller reserves the right to charge the customer any additional charges added to the pure cost of transport eventually paid to the Carrier.
8.2 The expedition, even if carried out in freeport, travels at the risk and peril of the customer. The Seller is not liable for delays, failures, breakdowns, breakages or missing items and any facts that may occur during transport. Even in the case where the carrier is chosen by the Seller.
8.3 In no event eventual damage arising from transport entitle the customer to delay payment of the invoice relating to the goods, or to retain part or all of its amount .
